Programming	Java ,Python Programming languages, Machine Learning(Basics)
Web-dev Skills	HTML, CSS, JavaScript, Tailwind CSS, Bootstrap,React js(Basic),Mongo DB.
Computer Science	RDBMS, Computer Networking, Operating Systems
Soft Skills	Communication, Good Team Player.

EXPERIENCE

Machine Learning Intern SkillDzire [Remote]	May 2025 - June 2025 Visakhapatnam, India
---	--

- Completed a one-month internship focused on core machine learning concepts and implementation.
- Built and trained models using Python and scikit-learn on real-world datasets.
- Gained hands-on experience in supervised learning, classification, regression, and data preprocessing.
- Worked on mini-projects involving Jupyter Notebook and visualization tools like Matplotlib and Seaborn.

Web Development Engineer Intern Vinukoti Business Solutions	Nov 2023 - May 2024 Visakhapatnam, India
---	---

- Project: Recruit Us (Final Year Internship Project)
- Developed web pages for Recruit Us, a recruitment-focused web application, as part of final year internship.
- Used HTML, CSS, and JavaScript to design and implement responsive and interactive UI components.
- Connected frontend with backend systems using PHP and AJAX, enabling dynamic content updates.
- Tested application functionality with sample data sets, ensuring smooth operation and integration.
- Strengthened skills in full-stack web development, problem-solving, and real-time debugging
